

David enjoys bowling and is the president of his bowling league in Blaine, MN. He and his wife Lisa also enjoy traveling in the Caribbean and visiting with family in Wisconsin.

David enjoys working out, racquetball, playing golf, fishing and camping in his free time. He is also an avid Green Bay Packer's fan and Shareholder.

### **David L. Hoepner**

David has been with the firm of Mattson Macdonald Young since 1986. He started with the firm as a drafter and has through his experience and education attained the level of Designer/Technician. David is thoroughly experienced in AutoCAD Structural detailing and design.

David supervises the construction administration/observation phases of numerous design projects and has been involved with nearly all types of structural framing and foundation systems. He attends several half day and full day masonry, steel, concrete and wood construction seminars and classes. David enjoys working with homeowners and they're remodeling projects.
